All interested persons affected by the proposed formation of the Village of Algonquin Special Service Area No. 7, including all persons owning taxable real property within the proposed special service area, will be given an opportunity to be heard regarding the proposed tax levy, the proposed formation of and the proposed boundaries of the proposed Special Service Area to encompass the Area.

The purpose of the formation of the Village of Algonquin Special Service Area No. 7 in general is to provide special services to the Area, including, but not limited to:

1. maintenance, restoration, preservation and replanting of vegetation and landscaping in and around any or all of the outlots within the Area, which are not owned by the Village, as deemed necessary and appropriate by the Corporate Authorities; and
2. maintenance, repair, restoration, dredging and removal of sediment or obstructions of and/or from any stormwater management, detention or retention area within any of the outlots within the Area, which are not owned by the Village, as well as any cutting of grass or replanting of vegetation or landscaping within any of the outlots within the Area as deemed necessary and appropriate by the Corporate Authorities; and
3. maintenance, repair, restoration and re-installation of stormwater facilities situated on any outlot within the Area as deemed necessary and appropriate by the Corporate Authorities; and
4. maintenance, restoration, repair, replacement of any subdivision monument sign within or proximate to the Area as deemed necessary and appropriate by the Corporate Authorities; and
5. administrative, professionals', engineers', attorneys', consultants' and contractors' fees incurred by the Village relative to the provision of any of the above described special services as deemed appropriate by the Corporate Authorities (collectively, the "Special Services").

However, under no circumstances shall the provision of such Special Services by the Village or its contractors constitute an acceptance of any personal property or real property within the Area by the Village.

The term of the proposed Special Service Area would be perpetual and the nature of the Special Services is new construction and/or maintenance within the Area.

If funds are received by the Village through this proposed special service area, such funds may be used by the Village itself to provide the Special Services or paid to a third party contractor to provide such Special Services on behalf of the Village.

A special service area tax will be considered at the public hearing, to be levied annually and not exceed a maximum rate of .8 percent per annum of assessed value, as equalized, to be levied against the real, taxable property included within the proposed Special Service Area. The proposed amount of such tax levy for the Special Services for the initial year for which taxes will be levied within the proposed special service area will not exceed \$25,000 but shall not exceed the annual maximum rate of .8 percent of the assessed value, as equalized, of the taxable property within the Area.

At the public hearing, all interested persons, including all persons owning taxable real estate therein and electors, will be given an opportunity to be heard at the hearing regarding the proposed tax levy against the Area to finance the provision of the Special Services, the proposed creation of the Special Service Area, its boundaries and any other issues relating to the proposed Special Service Area. The hearing may be adjourned by the Board of Trustees of the Village of Algonquin without further notice to another date other than a motion to be entered upon the minutes of its meeting fixing the time and place of its adjournment.

If a petition signed by at least 51 percent of the electors residing within the Special Service Area and by at least 51 percent of the owners of record of the land included within the Area is filed with the Village of Algonquin Village Clerk within 60 days following the final adjournment of the public hearing objecting to the creation of the Special Service Area, or the levy or imposition of a tax, no such special service area may be created or tax levied or imposed.

Dated this 18th day of August, 2023.
