

Bike Algonquin

The Village of Algonquin is committed to enhancing access to our community by providing an adequate and integrated system of bicycle trails and routes. The Village recognizes the need to encourage bicycle travel for both leisure and as a viable, active, and environmentally sustainable transportation option while assuring safe and reliable access to all areas of Algonquin.

Check out www.algonquin.org/bike to find most everything you need to know to help you Bike Algonquin!

One of Algonquin's artistic bicycle racks. "The High Wheel Bike" is located downtown on Main Street.

Bike Algonquin

Woods Creek Route

This 2.71 mile route is perfect for individuals and families looking to learn more about riparian areas and creek functions right here in Algonquin! Informational signage is located throughout the trail, and there are a few places to stop and take a break.

This route is predominately trails, with a stretch on a residential roadway. Riders will experience one moderate incline at Ted Spella Park. For more information, please visit www.algonquin.org/bike.

Woods Creek Overlook

Located on Bunker Hill Drive at Woods Creek. This area provides a great vantage point to see how the creek meanders through the landscape. The upland mesic prairie areas can also be seen, which show how the landscape is able to store and infiltrate water naturally.

Algonquin Area Public Library

Located at 2600 Harnish Drive. Read up on riparian areas and creeks before your ride. When you're finished, a trail connects you directly from the library to the Woods Creek Route.

Ted Spella Park

Located at 2610 Harnish Drive, with amenities accessible near Wintergreen Terrace. Take a break at the playground, or enjoy a game of basketball or tennis!

Spella Wetland Overlook

Located south of Woods Creek Route. Here you will see the largest wetland owned by the Village of Algonquin. Previously used as farmland, wetland hydrology was restored and replanted with native vegetation. This area is now home to over 30 species of birds.
