

THE VILLAGE OF

ALGONQUIN

CALENDAR & ANNUAL REPORT

2021

Every year, the Village of Algonquin provides an annual report to its residents and businesses in a calendar format. Your Village elected officials and staff hope this document serves as a valuable tool in the new year while reflecting on the many accomplishments of 2020 and looking forward to those to come in 2021.

Reduced Property Tax and Water Bill Rates

The COVID-19 pandemic has had widespread economic impacts globally, and both Algonquin business and residential customers are no exception. Therefore, the Village Board has taken action to reduce the Village's property tax rate and 2021 water/sewer rate. Cost-containment and tightly managed spending priorities will continue to drive decision making in the years ahead. The Village is annually recognized by professional organizations for its budget presentation, excellence in financial reporting, accountability, and transparency. The Village continues to maintain a AAA bond rating from Standard & Poor's, which is the highest rating that the agency issues. Algonquin utilizes performance metrics and analytics for the evaluation and assessment of infrastructure, equipment, and service delivery. This performance management program aids in cost-reduction, program-prioritization, and quality improvement. Through these efforts, combined with quality planning, transportation initiatives, and economic development, the Village has the financial resiliency necessary to weather the COVID-19 storm.

Parks and Recreation

Algonquin provides recreational services to the community with 23 parks, a swimming pool and splash pad, community center (Historic Village Hall), and an expansive trail system. Algonquin Recreation offers nearly 400 programs and events annually. Portions of Algonquin are also served by the Barrington Hills Park District, Dundee Township Park District and Huntley Park District. As we look ahead to 2021, the Village will be looking even further as we update our Parks and Recreation Master Plan to guide our future park improvements to align with the service expectations of the community.

Stoneybrook Park Redevelopment

The Village was awarded an Open Space Land Acquisition and Development (OSLAD) grant for the improvement of Stoneybrook Park located at 1200 Huntington Drive North. The park will be redeveloped to add several new amenities including bocce ball courts, pickleball courts, a gaga ball pit, a pavilion, walking trail, and a 15-space parking lot. Additionally, the existing playground and sand volleyball court will be replaced and improved. The improvements will be complete in summer 2021.

Transportation Initiatives

Increased accessibility and mobility are key aspects to economic growth. Continued investment in our transportation network will create critical links to both new and existing central business districts, public services, employment, and commercial centers in our region. Through our strategic long-term land use planning, the Village has set aside areas for new business parks and commercial centers. These areas are designed to provide quality jobs and keep people working locally.

Randall Road Corridor

The Village continues to work with its neighbors and McHenry County on the 3.5-mile Randall Road Corridor project. The limits of this project run from the intersection with Harnish Drive north to the Polaris Drive/Acorn Lane intersection. Randall Road is being widened to provide three through lanes in each direction with up to four for the portion between Bunker Hill/Huntington Drive just up to Polaris Drive/Acorn Lane. Dual left turn lanes and separate right turn lanes are being provided at all signalized intersections. The cross streets at the signalized intersection are being widened as well to allow vehicles to enter Randall Road more efficiently. Algonquin Road at Randall Road will have three left turn lanes, two through travel lanes, and right turn lanes on both legs of the intersection. A pedestrian underpass is being constructed just between Harnish Drive and Bunker Hill/Huntington Drive. A path will be built linking the existing paths in the area as well as the new path along Randall Road. Construction has progressed on schedule, and final completion is anticipated in early summer 2021. We encourage you to visit www.randallroad.info to sign up to receive regular email updates and stay informed.

Remembering President John Schmitt and Clerk Jerry Kautz

In 2020 we lost two cornerstones of the Algonquin community, Village President John Schmitt and Village Clerk Jerry Kautz.

President John Schmitt served as an Algonquin Village Trustee from 1993-2003 and as Algonquin Village President from 2003 to his death on July 25, 2020. His love and passion for Algonquin was undeniable. Anyone who interacted with him appreciated the strength of his service and leadership.

Clerk Jerry Kautz served in the position from 1989 to his death on October 1, 2020. His "can-do" attitude brought a stable calmness to his position. He was always helpful to residents and staff needing assistance with village matters and put forth endless hours of work as Village Clerk.

Please take the time to review the annual report contents of each month and see why the community can be proud of 2020 and excited for the prospects that 2021 bring. Your elected officials and staff remain committed to making Algonquin the best possible place to live, work, and play! Throughout the year, be sure to visit us online (www.algonquin.org) on our website or on our social media pages (Facebook@AlgonquinIL, Twitter @VlgAlgonquin, and Instagram @AlgonquinIL) to keep in the loop of community happenings.

The Village of Algonquin would like to wish you a safe, healthy, and prosperous 2021!

The Village of Algonquin is formally organized under the Trustee-Village form of government and combines the strong political leadership of elected officials (in the form of the Village Board) with the professional experiences of an appointed local government administrator. The Board consists of a President, six Trustees, and a Village Clerk, elected at large to serve overlapping four-year terms. The Board appoints the Village Manager to carry out its directives and oversee the delivery of public services. The Village Manager also supervises the daily operations of the Village and all of its departments.

In 1995, the Board passed an ordinance that modeled the Village's government after the Council-Manager form. According to the Illinois City/County Management Association, "Under the council-manager form, power is concentrated in the elected council, which hires a professional administrator to implement its policies. This appointee serves at the pleasure of the council and has responsibility for preparing the budget, directing day-to-day operations, hiring and firing personnel, and serving as the council's chief policy advisor."

Crystal Creek at Towne Park

Plaza in Old Town Algonquin

The plight of native pollinators, honeybees and the monarch butterfly have placed a renewed sense of urgency on the development and conservation of pollinator habitat.

A pollinator is an insect or animal that moves pollen within or to another flower, fertilizing the plant. There are about 200,000 species of pollinators, including bees, butterflies, wasps, beetles, birds and bats. Many types of plants, including vegetable and fruit crops, require pollination to bear fruit.

Ecological restoration reestablishes habitat for pollinators. In addition to pollen and nectar, the habitat provides pollinators with the space they need to thrive. The diversity of native plants, wildflowers and trees used on site can also attract multiple species of pollinators. The use of native plants, wildflowers and trees as part of ecological restoration results in vibrant, healthy ecosystems, providing a haven for pollinators that supports their long-term health.

WATER SYSTEM STATUS

Check signs posted throughout town, check the Village's website (www.algonquin.org), call 847-658-2700 to check the current water status. Status regulations are as follows:

Conservation: Green signs indicate outside water use is permitted except for watering landscaping and lawns, which is prohibited between the hours of 9:00 am and 6:00 pm.

Even/Odd: Yellow signs indicate even/odd days for watering before 9:00 am and after 6:00 pm. Even addresses may only water on even calendar days and odd addresses may only water on odd calendar days, before 9:00 am and after 6:00 pm.

Even/Odd 6:00-9:00 AM: Orange signs indicate even/odd days for watering only between the hours of 6:00 am and 9:00 am. Even addresses may only water on even calendar days and odd addresses may only water on odd calendar days from 6:00 am to 9:00 am.

Restricted: Red signs indicate no outside water is allowed at any time. This includes all use of water outside, such as washing vehicles, power washing, and watering landscaping.

The Village has a zero tolerance policy for illegal watering and tickets will be issued for illegal watering.
