

Village of Algonquin
Calendar & Annual Report

2022

Every year, the Village of Algonquin provides an annual report to its residents and businesses in a calendar format. Your Village elected officials and staff hope this document serves as a valuable tool in the new year while reflecting on the many accomplishments of 2021 and looking forward to those to come in 2022.

Algonquin Adopts Parks and Recreation Master Plan

The Village Board adopted a Parks and Recreation Master Plan to develop actionable items for Village parks and recreation services to strive to accomplish over the next ten years. The Village maintains over 22 miles of trails, 554 acres of natural areas, 21 developed park sites totaling 174 acres, an aquatic facility, and hundreds of recreation programs. Some near-term plan recommendations include the redevelopment for Towne Park, tennis court replacement at Gaslight Park, play structure replacement at Hill Climb Park, and design work for the restoration of Woods Creek Reach 5 open space.

Stoneybrook Park is Now Open!

The park was redeveloped to add several new amenities with the help of a \$400,000 Open Space Land Acquisition and Development (OSLAD) grant secured by the Village from the Illinois Department of Natural Resources. Stop by to enjoy the new basketball, bocce ball, volleyball and pickleball courts, as well as play a round of gaga ball and bags. While you are there, sit in the shade under the new picnic shelter after you take a stroll around the new multi-use trail or, at the very least, swing on the new playground set!

Tree City USA

The Arbor Day Foundation announced that the Village of Algonquin is again named a Tree City USA community for its commitment to urban forestry. This is the 25th year in which Algonquin has received this designation. The Village is responsible for the maintenance of over 21,000 parkway trees.

Algonquin Receives 2021 Project of the Year Award

The Village was awarded the American Public Works Association 2021 Public Works Project of the Year Award for the Main Street Streetscape project. The project included 223,000 square feet of brick sidewalks as well as added 14 seat walls and four electric vehicle charging stations. Other project highlights include more than one mile of utilities relocated underground and poured more than 141,000 square feet of new pavement.

Online Self Inspections

The Village launched the option for Online Self Inspections for many inspections required during permitting. Due to the COVID-19 pandemic, the Village proactively sought a reliable alternative to in-person inspections that would allow construction to continue during this time when social distancing is a requirement. The Online Self Inspection method allows Village inspectors to clearly see and then certify, thereby ensuring that all safety requirements and building codes are met. All that is needed is an internet connection and a smartphone or tablet to be able to enjoy this new and convenient program.

Around and About Main Street

This transportation improvement project will improve traffic flow and safety for road users of North Main Street. It includes a roundabout at North Main Street and Cary-Algonquin Road to provide traffic calming for all vehicles. It also includes a bicycle path from the roundabout to Riverview Drive, Park Street to North Harrison Street and connection to the Old Town Prairie Trail on South Harrison Street. It is funded, in part, through grants from the McHenry County Department of Transportation, the Illinois Transportation Enhancement Program and the federal Surface Transportation Program.

Longmeadow Parkway

Kane County Division of Transportation continues work on Longmeadow Parkway. The entire corridor is currently planned to be open to traffic in early 2022. Four sections have been constructed and three of these sections are open to traffic. The bridge section over the Fox River is substantially complete, but is not open to traffic. Two final sections are under construction, and work continues on the tolling infrastructure.

Algonquin wins the Triple Crown

The Government Finance Officers Association's Triple Crown recognizes governments who have received GFOA's Certificate of Achievement for Excellence in Financial Reporting, Popular Annual Financial Reporting Award, and the Distinguished Budget Presentation Award. The Village was one of a handful of local governments in the nation to receive this distinguished recognition.

Police Reaccreditation

The Algonquin Police Department has received Tier Two Accreditation from The Illinois Law Enforcement Accreditation Program. This is an ongoing process that agencies evaluate policy and procedures against established criteria and have compliance with those criteria verified by an independent and authoritative body, The Illinois Law Enforcement Accreditation Council. Algonquin Police has been accredited since 2013, making this the third Accreditation review.

Please take the time to review the annual report contents of each month and see why the community can be proud of 2021 and excited for the prospects that 2022 bring. Your elected officials and staff remain committed to making Algonquin the best possible place to live, work, and play! Throughout the year, be sure to visit us online (www.algonquin.org) on our website or on our social media pages (Facebook @AlgonquinIL, Twitter @VlgAlgonquin, and Instagram @AlgonquinIL) to keep in the loop of community happenings.

The Village of Algonquin would like to wish you a safe, healthy, and prosperous 2022!

Form of Government

The Village of Algonquin is formally organized under the Trustee-Village form of government and combines the strong political leadership of elected officials (in the form of the Village Board) with the professional experiences of an appointed local government administrator. The Board consists of a President, six Trustees, and a Village Clerk, elected at large to serve overlapping four-year terms. The Board appoints the Village Manager to carry out its directives and oversee the delivery of public services. The Village Manager also supervises the daily operations of the Village and all of its departments.

In 1995, the Board passed an ordinance that modeled the Village's government after the Council-Manager form. According to the Illinois City/County Management Association, "Under the council-manager form, power is concentrated in the elected council, which hires a professional administrator to implement its policies. This appointee serves at the pleasure of the council and has responsibility for preparing the budget, directing day-to-day operations, hiring and firing personnel, and serving as the council's chief policy advisor."

How do riparian areas prevent storm damage and provide flood control?

During a storm event, rivers and streams need room to swell in size and change shape and location within the floodplain in response to the length and quantity of the storm. Naturally vegetated riparian areas reduce the force, height and volume of stormwater by allowing it to spread out horizontally thereby lessening the severity of impacts downstream. Water that floods into vegetated floodplains re-enters the main stream channel slowly, enabling it to be soaked up by the moist spongy layers in the riparian zone. Such vegetation also intercepts and detains runoff from adjacent upland areas that would otherwise directly flow into streams and exacerbate flooding conditions.

The Algonquin Police Department proudly participates in fundraisers to benefit the Special Olympics and its athletes. The culminating event is the annual torch run, in which police officers and Special Olympics athletes carry the Flame of Hope throughout Illinois and into the opening ceremonies of the Summer Olympic Games. Since its inception, the International Law Enforcement Torch Run has raised almost 900 million dollars and helped changed the future for people with intellectual disabilities.

WATER SYSTEM STATUS

Check signs posted throughout town, check the Village's website (www.algonquin.org), or call 847-658-2700 to check the current water status. Status regulations are as follows:

Conservation: Green signs indicate outside water use is permitted except for watering landscaping and lawns, which is prohibited between the hours of 9:00 am and 6:00 pm.

Even/Odd: Yellow signs indicate even/odd days for watering before 9:00 am and after 6:00 pm. Even addresses may only water on even calendar days and odd addresses may only water on odd calendar days, before 9:00 am and after 6:00 pm.

Even/Odd 6:00-9:00 AM: Orange signs indicate even/odd days for watering only between the hours of 6:00 am and 9:00 am. Even addresses may only water on even calendar days and odd addresses may only water on odd calendar days from 6:00 am to 9:00 am.

Restricted: Red signs indicate no outside water is allowed at any time. This includes all use of water outside, such as washing vehicles, power washing, and watering landscaping.

The Village has a zero tolerance policy for illegal watering and tickets will be issued for illegal watering.
