

**VILLAGE OF ALGONQUIN
COMMITTEE OF THE WHOLE
AGENDA**

Special Meeting – Bus Tour
June 22, 2021
9:00 AM- 4:30 PM

Members of the Committee of the Whole will be conducting a modern apartment bus tour on June 22, 2021. The purpose of this tour will be to travel to various apartment complexes within the region to look at design, neighborhood context, amenities, costs, etc. Committee members will be traveling by bus to apartment complexes during the day.

Members of the public are invited to participate in the tour by travelling on the bus or joining the Committee at each location. The bus will be leaving from Village Hall, 2200 Harnish Drive at 9:30 am. In order to ensure sufficient space for the public, any individuals who wish to join the tour are respectfully requested and strongly urged to register in advance so that the Village can ensure sufficient space for all participants. All people who register in advance will be accommodated. For those who do not pre-register but who seek to join the tour at the last minute, they may travel on the bus if space permits; if space does not permit, they will be asked to meet the group at each tour destination. In the event that there is insufficient space on the bus for all interested members of the public because not everyone registered in advance, and there is insufficient space on the bus to accommodate these people, the Committee Chair will seek to ensure that public business is not discussed on the bus portion of the tour to avoid any violations of the Open Meetings Act.
