<u>DEPARTMENT:</u>	Community Development Department
<u>SUBJECT:</u>	Resolution Authorizing the Acceptance of the Donation of Square Barn Road Right-of-Way and Village Utility Easement from School District 158

ACTION REQUESTED:

Approve a Resolution to accept a donation of Square Barn Road Right-of-Way and a Village Utility Easement from School District 158.

DISCUSSION:

When the School District 158 Square Barn Road Campus was constructed in 2003, the Right-of-Way for the western half of Square Barn Road was never dedicated to the Village of Algonquin and the associated Public Utility and Village Utility Easements were never granted. The School District 158 and Village Staff have agreed that it is in the best interest to complete the dedication of Right-of-Way and the granting of the easements as this was intended to have been completed in 2003. Without the dedication, improvements to Square Barn Road and the construction of the Westview Crossing Subdivision could be impacted and quite likely delayed.

RECOMMENDATION:

Staff recommends that the Village Board approve a Resolution authorizing the acceptance of a donation of Right-of-Way from School District 158 and also the granting of a Village Utility Easement along Square Barn Road.

VILLAGE OF ALGONQUIN
MEMORANDUM

DATE: September 1, 2022

TO: Tim Schloneger, Village Manager

FROM: Todd A. Walker, SPHR, IPMA-CP, PDS
Human Resources Director

SUBJECT: Merit Compensation Plan Changes

According to Section 2.3.2 of the Village Policy Manual, on an annual basis in the early spring staff provides the Village Board our recommendations for the upcoming fiscal year Merit Compensation Plan.

However, periodically the Village has a need to adjust this document mid-year by making changes that are in the best interest of the Village.

After reviewing internal and external equity and salary data of comparable communities, I am recommending the following changes:

1. We changed a title to reflect different responsibilities:
 - a. Grade 16: change "Engineer-Asst. PW Director" to "Village Engineer"
2. We moved two positions up in grade to reflect responsibilities and comparable agencies:
 - a. Innovation and Technology Officer I (Grade 8 to Grade 9)
 - b. Accounting Manager (Grade 10 to Grade 11)
3. We added new titles:
 - a. Senior Accountant at a Grade 10.
 - b. Ecologist/Horticulturist (Public Works) at a Grade 10.

As usual, please let me know if you have any questions on the attached documents. I have attached the draft with the changes highlighted and the clean version for your consideration. With this said, I am requesting the Board consider and approve amending the Merit Plan.

TO: Village Board
FROM: Todd Walker, Human Resources Director
DATE: September 1, 2022
SUBJECT: Collective Bargaining Update

As you are aware, the Police Civilians contract (Chapter 183) was settled a few months ago. Within that contract, we added two sections allowing current employees who are changing unions or moving into a non-union position the option to transfer their accrued, but unused benefit time to that new position. Their accrual rate going forward would be based on the accrual schedule for that new position (e.g., if an employee changes positions after 8 years, their accrual rate in the new position would begin at zero).

In order to be consistent within the Department, the following is a summary (highlighted in green) of the changes we are asking to be approved in the Police Officers contract (Chapter 78). We are recommending making this change effective 9/1/2022.

1. ARTICLE VII: VACATION

Section 7.7. Bargaining Unit Accrual Transfers:

If a current employee transfers in or out of one of the Village's bargaining units (e.g. PD's 2 unions and/or Local 150) or to a non-union position the employee will be eligible to transfer up to 100% of their accrued, but unused sick hours to the new position. They will then fall under the current accrual schedule rate and utilization rules.

2. ARTICLE IX: LEAVE OF ABSENCE

Section 9.2. Sick Leave:

Police Officers shall begin accruing sick leave after ninety days following their date of hire at the rate of one (1) day per month of service, up to a maximum of two hundred and forty (240) days. The employee must work a minimum of one-half (1/2) the normal working days to be credited with a sick day within any month. For periods of sick leave absence of more than three (3) days, patrol officers may, if requested, be required to submit medical documentation or other acceptable evidence of incapacity for work to the Police Chief (or his designee).

The Chief or his designee may grant use of sick days for emergency leave. This must be approved one (1) day in advance and only under unusual circumstances. This may apply to personal business when use is impossible during off hours. Leave is limited to time necessary for appointments. Employees are expected to return to work as soon as possible. Sick pay usage shall be utilized in half (1/2) hour increments.

An employee who uses less than four (4) days sick leave in the one (1) year period between May 1 and April 30 may receive (at the employee's option) payment (at the hourly rate as of April 30) for the difference between four (4) days and the amount actually used. The number of hours for which payment is received will be subtracted from the employee's accumulated sick leave. Employees

hired after May 1 of any year are not eligible for this payment in the fiscal year in which they are hired. At the employee's option, this payment may be made to the employee through the payroll process or applied to one of the Village's deferred compensation programs.

If a current employee transfers in or out of one of the Village's bargaining units (e.g. PD's 2 unions and/or Local 150) or to a non-union position the employee will be eligible to transfer up to 100% of their accrued, but unused sick hours to the new position. They will then fall under the current accrual schedule rate and utilization rules.

Upon separation, the Village will pay the employee who is voluntarily leaving his employment one half of the employee's accrued but unused sick days in excess of sixty (60) days, up to a maximum of 300 hours of pay. For example, if an employee retires with 86 accrued but unused sick days, the employee will be paid for 13 sick days (i.e. one-half of the 26 days that are in excess of the 60 days). This payment may be applied toward a health insurance fund maintained internally by the Village of Algonquin to be applied toward the Village's total insurance premium rates for the coverage selected (not the employee rate). To apply, the employee must officially retire (draw a pension). Any remaining funds would be forfeited if there is a lapse in coverage and/or coverage is cancelled.

Management has the right to require an employee to obtain a doctor's note after an employee has used three sick days' instances in any rolling 12-month period. An instance is one illness or one event, whether 2 hours or one week in duration as long as it consists of consecutive days. Any sick time use where a doctor's note is provided or is pursuant to FMLA leave will not be counted against these instances. The request will be made at, or as reasonably close to, the sick time call in as possible.

PREAMBLE

This Agreement entered into by the Village of Algonquin, Kane and McHenry County, Illinois, hereinafter referred to as the "Employer" and the Metropolitan Alliance of Police Algonquin Chapter, hereinafter referred to as the "Chapter", is intended to promote harmonious and mutually beneficial relations between the Employer and the Chapter. Set forth herein the basic and full agreement between the parties concerning rates of pay, wages and other conditions of employment for full-time Police Officers and probationary Police Officers under the rank of sergeant of the Village of Algonquin, as defined herein below and hereinafter referred to as Officers" or "employees", or when the context requires a singular noun, as "Officer" or "employee."

ARTICLE I

Section 1.1. Recognition:

Pursuant to an election and certification by the Illinois Labor Relations Board under Case No. S-RC-92-61 dated May 19, 1992, and the certification issued thereon to the Chapter by the State of Illinois Labor Relations Board, the Employer recognizes the Chapter as the exclusive bargaining agent for the purpose of establishing wages, hours, and other conditions of employment for all sworn full-time officers and probationary officers within the Police Department of the Village of Algonquin, below the rank of sergeant, as certified, as described herein above. None of the provisions of this Agreement shall be construed to require either the Employer or the Chapter to violate any Federal or State Laws. In the event any provisions hereof or hereinafter stated shall conflict with any such law, such provision shall be modified to the extent necessary to conform to said laws.

Section 1.2. Probationary Period:

As established by the Village's Police Commission, the probationary period for Officers is twelve (12) months in duration from the date of completion of state-required basic police training, or twelve (12) months from date of hire for police officers who are state-certified and are not required to attend basic police training. During the probationary period, an officer is subject to discipline, including discharge, without cause and with no recourse to the grievance procedure or any other forum. It is further agreed that, except as modified herein, probationary Officers shall be entitled to all the rights, privileges, benefits and other terms and conditions of employment conferred by this Agreement on sworn full-time Officers.

Section 1.3. Fair Representation:

The Union recognizes its responsibility as bargaining agent and agrees fairly to represent all employees in the bargaining unit, whether or not they are members of the Union.

Section 1.4. Gender:

Wherever the male gender is used in this Agreement, it shall be construed to include both males and females equally.

Section 1.5. Chapter Officers:

For purposes of this Agreement, the term "Chapter Officers" shall refer to the Chapter's duly elected President, Vice-President, Secretary, and Treasurer.

ARTICLE II MANAGEMENT RIGHTS

Section 2.1 Management Rights:

Except as specifically limited by the express provisions of this Agreement, the Village retains all traditional rights to manage and direct the affairs of the Village in all of its various aspects and to manage and direct its employees, including but not limited to the following: to plan, direct, control and determine the budget and all the operations, services and missions of the Village; to supervise and direct the working forces; to establish the qualifications for employment and to employ employees; to schedule and assign work; to establish specialty positions; to establish work and productivity standards and, from-time to time, to change those standards; to assign overtime; to contract out for goods and services; to determine the methods, means, organization and number of personnel by which such operations and services shall be made or purchased; to make, alter and enforce reasonable rules, regulations, orders, policies and procedures; to evaluate employees; to establish performance standards for employees; to discipline, suspend and discharge non-probationary employees for just cause (probationary employees without cause); to change or eliminate existing methods, equipment or facilities or introduce new ones; to determine training needs and assign employees to training; to determine work hours (shift hours); to determine internal investigation procedures; to do all things expressly granted and reserved exclusively to the Village under Illinois Compiled Statutes 5 ILCS 315/4 or as modified, to take any and all actions as may be necessary to carry out the mission of the Village and the Police Department in the event of civil emergency as may be declared by the Village President, Village Manager, Police Chief, or their authorized designees, it is the sole discretion of the Village President to determine that civil emergency conditions exist which may include, but not be limited to, riots, civil disorders, tornado conditions, floods or other catastrophes. In the event of such emergency action, the provisions of this Agreement, other than compensation provisions, may be suspended, if necessary, provided that all provisions of the Agreement shall be immediately reinstated once the local disaster or emergency condition ceases to exist, and to carry out the mission of the Village.

ARTICLE III LAYOFF

Section 3.1. Layoff:

The Village in its reasonable discretion shall determine when and whether lay-offs are necessary. If the Village so determines that these conditions exist employees covered by this Agreement will be laid off in accordance with their length of service with the Village as provided in Illinois compiled Statutes 65 ILCS 5/10-2.1-18. If conditions exist wherein the Village is able to foresee the need for a layoff, the village shall provide Officers at least fifteen (15) days advance notice of the effective date of such layoff. While on layoff status, employees do not accrue and are not eligible to receive nor entitled to Village benefits. Time off on layoff status shall not be counted toward years of service.

Section 3.2. Recall:

Employees who are laid off shall be placed on a recall list for a period of one (1) year. If there is a recall, employees who are still on the recall list shall be recalled, in the inverse order of their layoff, provided they are fully qualified to perform the work to which they are recalled without further training.

Employees who are eligible for recall shall be given fifteen (15) calendar days' notice of recall. Notice of recall shall be sent to the employee by certified or registered mail, return receipt requested, with a copy to the Chapter. The employee must notify the Police Chief or his designee of his intention to return to work within ten (10) days of the date-stamp set forth on the certified mail receipt. The Village shall be deemed to have fulfilled its obligations by mailing the recall notice by certified or registered mail, return receipt requested, to the mailing address last provided by the employee, it being the obligation and responsibility of the employee to provide the Police Chief or his designee with his latest mailing address. If an employee fails to respond timely to a recall notice, his name shall be removed from the recall list.

ARTICLE IV NO STRIKE CLAUSE

Section 4.1. No Strike Clause:

Neither the Chapter nor any officers, agents or employees will instigate, promote, sponsor, engage in or condone any strike, sympathy strike, secondary boycott, slowdown, speed-up, sit-down, concerted stoppage of work, concerted refusal to perform overtime, concerted abnormal and unapproved enforcement procedures or policies or work to the rule situation, mass resignations, mass absenteeism, or picketing which in any way results in the interruption or disruption of the operations of the Village, regardless of the reason for so doing. Each employee who holds the position of officer or steward of the Chapter occupies a position of special trust and responsibility in maintaining and bringing about compliance with the provisions of this Article. In addition, in the event of a violation of this Section of this Article, the Chapter agrees to inform its members of their obligations under this Agreement and their obligations not to strike as imposed by the Illinois Public Labor Relations Act and to direct them to return to work.

Section 4.2. No Lockout:

The Village will not lock out any employees during the term of this Agreement as a result of a labor dispute with the Chapter.

Section 4.3. Judicial Restraint:

Nothing contained herein shall preclude the Village or the Chapter from obtaining judicial restraint and damages in the event the other party violates this Article.

Section 4.4. Discipline of Strikers:

Any officer who violates the provisions of Section 4.1 of this Article shall be subject to disciplinary action up to and including discharge, as well as any statutory penalties. Any action taken by the Employer against any officer who participates in any action prohibited by Section 4.1 above shall not be considered as a violation of this Agreement and shall not be subject to the provisions of the grievance procedure. The failure to confer a penalty in any instance is not a waiver of such right in any other instance nor is it a precedent.

ARTICLE V COMPENSATION AND HOURS OF WORK

Section 5.1. Compensation:

Compensation of the Police Officers of the Village of Algonquin shall be paid according to Appendix A attached hereto and by reference incorporated herein. Said compensation and placement at the steps shall be effective May 1, 2021 and all retroactive pay shall be distributed to the officers in a lump sum on or before two pay periods after the date of execution of this Agreement. The Village has no obligation to provide retroactive pay as a result of the agreed modification to the normal workweek and workday, to the extent that said modification resulted in the elimination of police officers' obligation to report to work fifteen (15) minutes prior to the start of the scheduled shift.

Section 5.2. Normal Workweek and Workday:

The normal workweek shall average forty (40) hours per week, but in some weeks employees shall work more than forty (40) hours and some weeks less than forty (40) hours. The normal workday for employees assigned to a specialty assignment(s) (including but not limited to Detective, DARE, SRO, Traffic Unit) shall be eight (8) hours including a thirty (30) minute paid lunch period, subject to emergency work duties. The normal workday for Patrol Officers not assigned to a specialty assignment shall be and one quarter (8.25) hours including a thirty (30) minute paid lunch period, subject to emergency work duties

Section 5.3. Overtime Pay:

Employees assigned to a specialty assignment (including but not limited to Detective, DARE, SRO, Traffic Unit) covered by this Agreement shall be paid one and one-half times their regular rate of pay for hours worked in excess of the eight (8) hours scheduled for the regular shift and for any days that the officer works in excess of the dates scheduled for the regular shift. Patrol Officers not assigned to a specialty assignment who are covered by this Agreement shall be paid one and one-half times their regular rate of pay for hours worked in excess of the eight and one quarter (8.25) hours scheduled for the regular shift and for any days that the officer works in excess of the dates scheduled for the regular shift.

Section 5.4. Overtime Scheduling:

The Chief of Police or his designee shall have the right to require overtime work and police officers may not refuse overtime assignments. Whenever practicable, overtime assignments will be scheduled on a voluntary basis, except for emergency situations, or except where qualified volunteers are not readily available. It is the objective of the Village to keep mandatory overtime scheduling at a minimum, consistent with the need of the Village to provide proper police protection.

Overtime less than 24 hours: Police Officers will be contacted by seniority and have 15 minutes to respond to the overtime request. First the entire overtime shift will be offered to police officers on a regular scheduled day off. If no police officer volunteers for the entire overtime shift, on a voluntary basis the first four (4) hours of the overtime shift and the last four (4) hours of the overtime shift will be offered as described in the two paragraphs below. Once 15 minutes has elapsed the police officer with the most seniority that volunteered for the overtime will be selected to fill the overtime. If no police officer responds the most junior officer will fill the overtime request.

Overtime less than 24 hours will be attempted to be filled on a voluntary basis. To accomplish this goal, first the entire overtime shift will be offered to police officers on a regular scheduled day off (officers on the affected shift will have priority). Should multiple police officers volunteer for the entire overtime shift, the most senior officer by date of hire will be awarded the overtime shift.

If no police officer volunteers for the entire overtime shift, on a voluntary basis the first four (4) hours of the overtime shift will be offered to the most senior police officer on the prior shift down to the least senior police officer on the prior shift. If no one volunteers for the overtime assignment, it will be filled with the least senior police officer on the prior shift. The last four (4) hours of the overtime shift will be offered to the most senior police officer on the next shift following the overtime shift moving down the seniority list of the officers on the shift to the least senior police officer on the next shift. If no one volunteers for the overtime shift, it will be filled with the least senior officer on the following shift.

A hire back may be split into two four-hour sections and police officers may sign-up for either section. With at least seventy-two (72) hour notice, a more senior police officer may bump a junior police officer who has signed up for overtime. If overtime is posted in less than seventy-two (72) hours, the above rule will be followed, but a twenty-four (24) hour notice will apply. Any police officer who is willing to work the entire hire back shall bump any police officers who have signed up to work the split shifts regardless of the relative seniority of the police officers. A police officer on the same shift wanting the entire hire back, will have shift preference based on shift police officer seniority, and can bump and police officer from another shift that has signed up for the entire hire back. Police officers on vacation shall not be requested to work a hire back.

There shall be no shift preference for details. An overtime detail may be split into sections, minimum of 2 hours, and police officers may sign-up for either section as long as the hours are completely filled. In the event the "suggested split" creates an issue in covering the detail, administration has the right to assign officers based on reverse seniority. With at least seventy-two (72) hour notice, a more senior police officer may bump a junior police officer who has signed up for the detail.

If a detail is posted in less than seventy-two (72) hours, the above rule will be followed, and a twenty-four (24) hour notice will apply. However, any police officer who is willing to work the entire detail shall bump any police officers who have signed up to work the split shifts regardless of the relative seniority of the police officers. Police officers on vacation shall not be requested to work a detail.

If a police officer is on a shift trade, they are not to be forced to work last minute overtime unless they volunteer to work said overtime, unless all scheduled officers are required to work "last minute overtime" and the officer working the shift trade is the only remaining officer.

Section 5.5. Call Back Time:

Any Officer covered by this Agreement who is called back to work on an assignment (including stand-by court time) which does not continuously follow or precedes an Officer's regularly scheduled working hours shall be compensated a minimum of two (2) hours for each call back or the actual time worked, whichever amount is greater. If applicable, "call back time" hours will be paid at the overtime rate of pay. The term "call back time" means time in which an Officer is called back to work and physically reports to the location set by the Chief or his designee to perform some function for the Department.

In the event that an Officer is placed on court stand-by requiring the Officer to appear in court on a day off, the Officer shall be compensated a minimum of one (1) hour. The Officer shall be required to be at the Police Department or a location set by the Chief or his designee at least one (1) hour before the scheduled court appearance and shall be compensated for that one (1) hour of time. However, covered officers assigned to work the midnight shift may remain at his/her home while on court standby. If the Officer's testimony is not required, then the Officer shall be released for the remainder of the day. The above work time may be increased pursuant to the authority of the Chief or his designee as concerns court stand-by.

Section 5.6. Court Time:

Officers required to attend court on off-duty time shall be compensated with a minimum of two (2) hours straight time or the actual time worked, whichever is greater, for such court appearance. If applicable, "court time" hours will be paid at the overtime rate. In the event that the court date is canceled with less than twenty-four (24) hour notice to the off-duty officer, said officer shall receive an additional two (2) hours straight time pay at the affected officer's regular rate of pay.

Section 5.7. Meeting Time:

Any Officer required to be at a departmental meeting during off hours shall be compensated with a minimum of two (2) hours straight time or the actual time worked, whichever is greater, for such meeting. If applicable, "meeting time" hours will be paid at the overtime rate.

Section 5.8. Officer In Charge Compensation:

Patrol Officers assigned to act in the capacity of Officers in Charge shall receive, in addition to their regular compensation, additional compensation in the amount of \$4.50 per hour for all hours so worked.

Section 5.9. Work Breaks:

Breaks may be taken at the discretion of the supervisor, for reasonable intervals, at reasonable times, and with such other units as the supervisor may deem reasonable. The supervisor shall ensure that adequate coverage exists at all times during break periods. The break period is considered on-duty time, and personnel are considered available for any assignment during any break period, including all routine calls within their beat.

Section 5.10. Compensatory Time:

A police officer hired prior to June 1, 2021 who is entitled to time and one-half pay, double time pay, or straight time pay under this agreement may elect compensatory time at time and one-half rate, double time rate, or straight time rate, in lieu of pay, to a maximum of eighty (80) rolling hours, by giving advance notice to the Village.

A police officer hired after to June 1, 2021 who is entitled to time and one-half pay, double time pay, or straight time pay under this agreement may elect compensatory time at time and one-half rate, double time rate, or straight time rate, in lieu of pay, to a maximum of forty-one and one quarter (41.25) rolling hours, by giving advance notice to the Village.

An employee with accrued compensatory time may make advanced request for time off (increments no less than .25 hours), and time off will be approved by the Chief or his designee based upon departmental needs without a wait time as long as the shift is above minimum staffing.

In the event that any Officer covered by this Agreement terminates his employment with the Village of Algonquin, he shall be paid his then hourly rate of pay for each hour accumulated as compensatory time.

On an annual basis (coinciding with the sick day buy back), police officers hired prior to June 1, 2021 can sell back up to 80 hours of accumulated comp time to be applied toward one of the Village's deferred compensation programs, and police officers hired after June 1, 2021 can sell back up to 41.25 hours of accumulated comp time to be applied toward one of the Village's deferred compensation programs.

Section 5.11. No Pyramiding:

Compensation shall not be paid more than once for the same hours under any provision of this Article or this entire Agreement.

Section 5.12. Training Academy:

Newly hired officers attending a police training academy, with lodging, shall be compensated at the appropriate straight time rate of pay for eight (8) hours for each day spent in training, and shall be compensated for time and mileage spent for one (1) round trip from either the police department to the academy or their home to the academy, whichever is less and shall be compensated for mileage spent for an additional one (1) round trip from either the police department to the academy or their home to the academy, whichever is less. In addition, while an Officer is attending the academy, the Officer's payroll checks (with written authorization) can be mailed to the location specified by the Officer.

If the police training academy selected by the Village does not provide lodging for the duration of the academy, and the police officer is required to commute to and from the academy daily, the police officer shall be compensated straight time at the officer's regular hourly rate of pay for travel time each way for the duration of the academy, plus mileage if no department vehicle is available for use by the officer for the duration of the academy training.

Covered officers voluntarily leaving the employment of the Village for the purpose of police employment elsewhere shall reimburse the Village for expenses actually incurred for state-required basic training only, as set forth below:

Departure prior to completion of one (1) year of service -
100% reimbursement, with maximum reimbursement of \$3,000.00.

Departure prior to completion of two (2) years of service -
50% reimbursement, with maximum reimbursement of \$1,500.00.

Covered employees shall not be liable for costs of field training or wages earned. The reimbursement provisions of this Section shall not apply to covered employees employed prior to the date of execution of this Agreement. Employees will be notified of this requirement prior to the extension of an offer of employment with the Algonquin Police Department.

Section 5.13. Lateral Hires:

At the discretion of the Chief of Police, newly hired police officers who have previous police experience as full-time police officers and are Illinois certified officers or equivalent may be placed in the wage as determined by the Chief of Police.

Placement of newly hired officers pursuant to this Section shall be for salary purposes only, and shall not affect a newly hired officer's seniority for any other purpose.

**ARTICLE VI
UNION SECURITY AND DUES CHECK-OFF**

Section 6.1. Dues Deductions:

Upon receipt of proper written authorization from an employee, the Employer shall deduct each month's Chapter dues in the amount certified by the Treasurer of the Chapter from the pay of all officers covered by this Agreement who, in writing, authorize such deductions. Such money shall be submitted to the Metropolitan Alliance of Police within twenty-one (21) days after the deductions have been made.

Section 6.2. Indemnity:

The Chapter hereby indemnifies and agrees to hold the Employer harmless against any and all claims, demands, suits or other forms of liability that may arise out of or by reason of, any action taken or not taken by the Employer for the purpose of complying with the provisions of this Article, and shall reimburse the Village for all legal costs that shall arise out of, or by reason of action, taken or not taken by the Village in compliance with the provisions of this Article provided the Village does not initiate or prosecute such action.

Section 6.3. Revocation of Dues:

A Chapter member desiring to revoke the dues check-off may do so by written notice to the Employer at any time upon thirty (30) days' notice.

Section 6.4. Union Membership:

The decision to join the Union or not join the Union is the individual decision of each employee. Neither the Village nor the Union will interfere with an employee's freedom of decision and/or discriminate against any employee because of Union membership or non-membership.

Section 6.5. Bulletin Boards:

The Village shall provide the Chapter with designated space on available bulletin boards, upon which the Chapter may post its official notices of a non-political, non-inflammatory nature. The Union will limit the posting of Union notices to said bulletin board.

Section 6.6. Labor-Management Meetings:

The Chapter and the Employer agree that, in the interest of efficient management and harmonious employee relations, quarterly meetings will be held between no more than two (2) Chapter representatives and responsible administrative representatives of the Employer. In addition, meetings maybe requested by either party at least seven days in advance by placing in writing a request to the other for a "labor-management conference" and expressly providing the specific agenda for such conference. Such conferences, times and locations, if mutually agreed upon, shall be limited to:

- a. discussion on the implementation and general administration of this Agreement;
- b. a sharing of general information of interest to the parties; and
- c. safety issues.

It is expressly understood and agreed that such conferences shall be exclusive of the grievance procedure. Specific grievances being processed under the grievance procedure shall not be considered at "labor-management conferences, nor shall negotiations for the purpose of altering any or all of the terms of this Agreement be carried on at such conferences.

Attendance at labor-management conferences shall be voluntary on the employee's part. Attendance at such conferences shall not interfere with required duty time and attendance, if during duty time, is permitted only upon prior approval of the employee's supervisor. The Village in its sole discretion shall determine its representatives at such meetings.

**ARTICLE VII
VACATION**

Section 7.1. Eligibility and Allowances:

All employees shall be eligible for paid vacation time after the completion of six (6) months of continuous full-time employment. Vacation accrues proportionally each pay period, not in one lump sum.

Section 7.2. Vacation Pay:

The rate of vacation pay shall be the employee's regular straight-time rate of pay in effect for the employee's regular job classification at the commencement of the vacation period.

Section 7.3. Scheduling:

Vacations shall be scheduled on a year-round basis. During the November 1st to December 15th vacation selection timeframe, the officers with the most seniority making a vacation day request that results in a second person off on a shift for one (1) day in conjunction with a five (5) day vacation block will not be denied that request. (RDO's may occur on either side or during the five- day minimum vacation day request.) This vacation day use outside the current time off policy will be limited to six (6) instances per vacation year for the entire bargaining unit. Employees shall select their vacations according to seniority, with all vacations chosen by December 15th of each year if seniority is to apply. The Police Chief shall schedule vacations and determine the maximum number of employees who may be on vacation at any one time, taking into account the needs of the Department, employee advance requests, and employee seniority. After vacation bids for the following calendar year are complete, starting January 1st and running through December 31st of that calendar year vacation time shall be approved by the Chief or designee without a wait time as long as the shift is above minimum staffing.

Vacation may not be taken in increments of less than a quarter (0.25) hour.

Subject to the approval of the Chief or his designee, a maximum of five (5) vacation days may be carried over to the following calendar year but they must be used in the first quarter of the year or be lost.

Section 7.4. Accrual Schedule:

They will then fall under the current accrual schedule rate and utilization rules.

- a. Any employee taking an unexcused absence on the day before or after a holiday shall not be paid for that holiday. An unexcused absence shall include, but not be limited to the following: AWOL, any vacation day or personal day that has not been previously approved. The Chief of Police, at his discretion, may require an officer using paid sick leave on the day before or after a holiday to provide written proof of illness, if the officer has used paid sick leave in conjunction with a holiday previously within the term of this Agreement. The Chief of Police must notify an affected officer that he/she is to provide said notice prior to the use of a sick day.
- b. If an Officer works on a holiday, compensation will be at one and one-half (1 1/2) times the Officer's hourly rate for each hour worked, plus eight (8) hours pay for the holiday. Any officer who works more than eight hours in conjunction with their holiday shift shall be compensated at two (2) times that officer's regular hourly rate of pay for all hours worked beyond eight (8) hours, plus eight (8) hours pay for the holiday. Any officer not scheduled to work a particular holiday who is called in to work that holiday shall be compensated at two (2) times the officer's regular hourly rate of pay for all hours so worked, plus eight (8) hours pay for the holiday.
- c. If a holiday falls on an officer's regularly scheduled day off, he shall receive eight (8) hours pay upon submitting a benefit sheet.

All personal hours must be used by the end of the fiscal year in which they are provided.

Personal hours may be used in .25-hour increments and shall be paid at the employee's regular rate of pay for eight (8) hours.

The Chief or his designee must approve the use of personal hours without a wait time as long the shift is above minimums. Unused personal hours cannot be carried over from year to year.

Any personal hours not used in the fiscal year will be forfeited unless the Chief or his designee gives approval for carry over of those hours. Any personal hours carried over from the previous year must be utilized within thirty (30) days. The Village may require an employee to utilize unused personal hours. In the event of death, any unused personal hours shall be paid to the designated beneficiary of the deceased employee.

**ARTICLE IX
LEAVE OF ABSENCE**

Section 9.1. Absence from Work:

All absences from work must be reported to the Supervisor in charge prior to assigned working shift.

Section 9.2. Sick Leave:

Police Officers shall begin accruing sick leave after ninety days following their date of hire at the rate of one (1) day per month of service, up to a maximum of two hundred and forty (240) days. The employee must work a minimum of one-half (1/2) the normal working days to be credited with a sick day within any month. For periods of sick leave absence of more than three (3) days, patrol officers may, if requested, be required to submit medical documentation or other acceptable evidence of incapacity for work to the Police Chief (or his designee).

The Chief or his designee may grant use of sick days for emergency leave. This must be approved one (1) day in advance and only under unusual circumstances. This may apply to personal business when use is impossible during off hours. Leave is limited to time necessary for appointments. Employees are expected to return to work as soon as possible. Sick pay usage shall be utilized in half (1/2) hour increments.

An employee who uses less than four (4) days sick leave in the one (1) year period between May 1 and April 30 may receive (at the employee's option) payment (at the hourly rate as of April 30) for the difference between four (4) days and the amount actually used. The number of hours for which payment is received will be subtracted from the employee's accumulated sick leave. Employees hired after May 1 of any year are not eligible for this payment in the fiscal year in which they are hired. At the employee's option, this payment may be made to the employee through the payroll process or applied to one of the Village's deferred compensation programs.

If a current employee transfers in or out of one of the Village's bargaining units (e.g. PD's 2 unions and/or Local 150) or to a non-union position the employee will be eligible to transfer up to 100% of their accrued, but unused sick hours to the new position. They will then fall under the current accrual schedule rate and utilization rules.

Upon separation, the Village will pay the employee who is voluntarily leaving his employment one half of the employee's accrued but unused sick days in excess of sixty (60) days, up to a maximum of 300 hours of pay. For example, if an employee retires with 86 accrued but unused sick days, the employee will be paid for 13 sick days (i.e. one-half of the 26 days that are in excess of the 60 days). This payment may be applied toward a health insurance fund maintained internally by the Village of Algonquin to be applied toward the Village's total insurance premium rates for the coverage selected (not the employee rate). To apply, the employee must officially retire (draw a pension). Any remaining funds would be forfeited if there is a lapse in coverage and/or coverage is cancelled.

Management has the right to require an employee to obtain a doctor's note after an employee has used three sick days' instances in any rolling 12-month period. An instance is one illness or one event, whether 2 hours or one week in duration as long as it consists of consecutive days. Any sick time use where a doctor's note is provided or is pursuant to FMLA leave will not be counted against these instances. The request will be made at, or as reasonably close to, the sick time call in as possible.

Section 9.3. Medical Leave (including pregnancy):

Final approval on all medical leaves is vested exclusively with the Village Manager. In order for a medical leave to be approved, the employee must submit a statement from the employee's doctor indicating temporary disability, medical attention required, and the expected duration of the disability. A medical leave shall be on an unpaid basis and it shall not exceed three (3) months, unless express, written approval is first obtained from the Police Commission.

Employees are required to substitute accrued paid benefit time for any part of an FMLA leave taken. Substitution of accrued benefit time for unpaid leave will occur in the following order for the following three FMLA-qualified reasons:

1. Birth of an employee's child - For the first three days, the Village will allow the employee to use Sick Time, thereafter the following sequence occurs: Vacation, Compensatory Time, Personal Days, Sick Time.
2. Care for an employee's immediate family member - Vacation, Compensatory Time, Personal Days, Sick Time.
3. Employee's own serious health condition - Sick Time, Vacation, Compensatory Time, Personal Days.

Police Officers returning to work after any disability leave must have a written release from a physician verifying that they are able to return to work and safely perform the essential functions of their job. While on disability leave, the Chief has the authority to demand monthly status reports verifying the need for the continued leave.

All medical leaves granted by the Village of Algonquin shall be in full compliance with the Federal Family Medical Leave Act.

Section 9.4. Funeral Leave:

The Chief or his designee will grant leave with pay for funerals and wakes in the immediate family. The immediate family shall be defined to include spouse, parents, children, grandparents, brother, sisters and equivalent in-laws. The maximum funeral leave shall be three (3) days.

Section 9.5. General Leave of Absence:

A Police Officer, regardless of length of service or status, may be absent from work without pay and without losing seniority benefits for a period of one (1) year, subject to written approval of Chief of Police. In no case shall benefits accrue to the Police Officer while he is on an extended leave of absence beyond thirty (30) days. Unauthorized absence from work shall be cause for disciplinary action.

Section 9.6. Military Leave:

A full time Police Officer of the Village shall be entitled to a military leave of absence in accordance with applicable State and Federal Laws. No loss of seniority will occur during these absences.

Section 9.7. Jury Duty:

Police Officers called for jury duty will receive their regular compensation for the length of their jury duty, minus the amount of any stipend received for jury duty.

Section 9.8. Benefits While On Leave:

Unless otherwise stated in this Article or otherwise required by law, length of service and other benefits shall not accrue nor be eligible for any employee who is on an approved leave status. During an approved leave of absence or layoff under this Agreement, the employee shall be entitled to coverage under applicable group and life insurance plans to the extent provided in such plan[s], provided the employee makes arrangements for the changes and arranges to pay the entire insurance premium involved, and any additional surcharges allowed by law, including the amount of premium previously paid by the Village.

ARTICLE X EDUCATION BENEFITS

Section 10.1. On-Duty Training:

Police Officers attending required training sessions away from the Police Department shall either be provided transportation to and from the training location, if available, or shall be paid the prevailing rate mileage allowance for the use of their own vehicle. An officer who attends a police-related seminar, upon the direction of the Chief, on his own time will receive one (1) hour pay at the Officer's straight time hourly rate of pay for each hour spent in said seminar. In addition, the Village will pay for travel time as follows:

The parties agree travel time shall not be included in the calculation of hours worked for purposes of overtime compensation. Actual time spent in training shall be included in the calculation of hours worked for purposes of overtime compensation. Officers shall be compensated at the Officer's straight time hourly rate of pay for travel time to and from said seminar in accordance with the list attached as Appendix C. Training where meals are provided will not be reimbursed (i.e. if lunch is offered, no reimbursement will be paid). If a meal is provided, the value of that meal shall be deducted from the stipend. (e.g. if lunch is provided, \$10.00 is deducted from the \$32.00). If an officer is required to stay overnight, meal money shall be advanced to that officer, provided the officer submits a written request to the Chief of Police or his designee at least ten (10) calendar days prior to the training date. Each Officer on such an assignment shall turn the balance of such funds to the Village along with receipts for expenditures for meals at the end of said training assignment.

Section 10.2. Scheduling of On-Duty Training:

When training outside the Department is scheduled for Officers covered herein, said Officers shall be given as much notice as possible as the Village receives notice from the training facilities.

Section 10.3. Educational Incentive:

Regular full-time employees enrolled in a degree program or a course directly related to municipal business or to the employee's position may request tuition reimbursement from the Village. Before reimbursement may be granted, the employee must notify and receive written approval from the Chief of Police no later than two (2) months prior to the beginning of the fiscal year in which the employee wishes to attend the training. The Chief of Police shall make the final determination regarding whether a course or degree program is job-related and may deny any request for reimbursement that is not classified as such.

Reimbursement may be made for tuition, required books, or required class materials, upon submission of written receipts for same, according to the following schedule, only after completion of the course or training session:

Grade A - 90% reimbursement	Grade B - 70% reimbursement

Certification of completion of the class and a grade report must be submitted.

Tuition reimbursement does not include mileage, activity or student fees, meals, lodging, parking, tolls, general supplies, or other incidental expenses. Reimbursement of tuition and/or completion of such training shall not be construed as guaranteeing that an employee will be retained, promoted, or advanced.

Courses or programs that may be eligible for reimbursement include classes offered by an accredited college, university, or technical school, courses offered as part of an adult continuing education program, and courses offered by a professional educational or training company or facility.

Training or classes which an educational institution requires to be taken to satisfy general degree requirements and which are not directly related to the specialization or major of a degree program will not be considered for reimbursement.

Employees enrolling in educational courses are encouraged to take advantage of and pursue other financial sources, such as grants, scholarships, G.I. benefits, and fellowships that they are eligible to apply for or receive. The Village will consider the difference between any financial aid awarded and the actual cost of tuition for reimbursement.

The maximum amount of tuition or training reimbursement that may be paid to any employee is one thousand five-hundred (\$1,500) for undergraduate work or three thousand dollars (\$3,000) for postgraduate courses in any one fiscal year. In the event that funding is not available in the budget or has already been expended for any fiscal year, but all other requirements are met, employees are encouraged to re-submit the request during the following fiscal year.

Any Police Officer attending any conference, meeting, seminar or convention and being reimbursed by the Village is to submit paid receipts for reimbursable expenses. The Village Treasurer will not reimburse expenses which are not documented or which are unreasonable.

ARTICLE XI GRIEVANCE PROCEDURE

Section 11.1. Definition:

It is mutually desirable and hereby agreed that all grievances shall be handled in accordance with the following steps. For the purposes of this Agreement, a grievance is any dispute or difference of opinion raised by an employee or the Chapter against the Employer involving the meaning, interpretation or application of the provisions of this Agreement. The parties agree that the discipline of oral or written reprimands shall be subject to the jurisdiction to the grievance procedure. Any time period provided for under the steps in the grievance procedure may be mutually extended or contracted.

STEP ONE: The employee, with or without a Chapter representative, may take up a grievance with the employee's immediate supervisor designated by the Chief, within ten (10) calendar days of its occurrence. The supervisor shall then attempt to adjust the matter and shall respond within ten (10) calendar days after such discussion. If the grievance is adjusted at Step One, the supervisor shall notify the Chief and Chapter representative in writing within ten (10) days thereafter the nature of the grievance and its resolution.

STEP TWO: If not adjusted in Step One, the grievance shall be reduced to writing and presented by the Chapter to the Chief of Police within ten (10) calendar days following the receipt of the supervisor's answer in Step One. The Chief of Police shall attempt to adjust the grievance as soon as possible, and therefore will schedule a meeting with the employee, the supervisor involved and Chapter Representative within ten (10) calendar days after receipt of the grievance from the Chapter. The Chief of Police shall then render a decision, based on the supplied information during the meeting, within ten (10) calendar days of the meeting.

STEP THREE: If the grievance is not adjusted in Step Two, the grievance shall be submitted to the Village Manager or his designated representative within five (5) calendar days of the receipt from the Chief of police his response to the Step Two procedure. Salary implementation (including longevity and special duty pay) is retroactive to May 1, 2021. All officers covered by this Agreement shall be placed in their appropriate step (year of service) as of the effective date of this Agreement. Payment for all benefits resulting from the retroactivity of this Agreement shall be paid to each covered Employee within two pay periods of ratification and approval of this Agreement. The Village has no obligation to provide retroactive pay as a result of the agreed modification to the normal workweek and workday, to the extent that said modification resulted in the elimination of police officers' obligation to report to work fifteen (15) minutes prior to the start of the scheduled shift. All employees will attain their next step (rate of pay) on their anniversary date in that contract year. Covered officers shall also receive annual grade increases on May 1 of each year.

A. Longevity Pay.

Every officer will receive an additional 1% of pay rate starting at the officer's completion of the last step of contract. (Example: Officers last step after eight years is \$51.1781 then longevity pay is \$.5117 per hour effective in the 9th year). Longevity will be 1.25% of pay rate after the completion of the 18th year. This longevity payment is not paid out in lump sum, instead it will be added to the employee's hourly rate at the appropriate % of longevity payment (i.e. \$51.1781 base pay + 1% longevity = \$51.6898 an hour) (i.e. an employee hired 3/2/2012 would be paid \$103,858.00 annually. Then on his anniversary of 3/2/2021 after 9 years of service he would begin his longevity of 1% {.5117 cents an hour added to his hourly rate}. On the 19th year (i.e. \$51.1781 base pay + 1.25% longevity = \$51.8178 an hour) (i.e. an employee hired 3/2/2003 would be paid \$103,858.00 annually, then on his anniversary of 3/2/2021 after 18 years of service he would begin his longevity of 1.25% {.6397 cents an hour added to his hourly rate}. It is understood that, all longevity compensation shall be calculated utilizing only base pay, and not previous longevity compensation, overtime compensation, and other stipends.

B. Special Duty Stipend (Canine):

Any officers covered by this Agreement assigned to the position of Canine Officer shall receive \$500.00 per year as a stipend. The Village will add to the employee's hourly rate the payment (divided by 24 divided by 86.67) respectfully (e.g., the Canine Officer will be paid his base pay plus his hourly rate will increase by \$.24). For

clarification, all raises will be calculated using base pay not base pay plus the canine pay or any other stipend pay. It is agreed that the canine officer shall reimburse the Village on a prorated basis for the special duty stipend should the Village eliminate the position of canine officer, or upon the assignment of canine duties to another officer.

C. Special Duty Stipend (Plain Clothes):

Detectives and School Liaison Officers assigned to duties that are "plain clothed" shall receive an additional \$200.00 per year to their clothing allowance. Officers receiving this allowance will submit receipts for clothing purchased using these extra funds.

D. Field Training Officer:

Each Field Training Officer (designated by the Chief) shall receive a stipend of 3/4th an hour of comp time per workday or (daily observation record) for the training of each new recruit. The Village also agreed to allow the FTO to carry the time over for an additional 30 days after training if the employee exceeds the 80-hour maximum accumulation of Comp Time, if the FTO was hired prior to June 1, 2021. If the employee was hired on or after June 1, 2021, the Village also agrees to let the FTO to carry the time over for an additional 30 days after training if the employee exceeds the 41.25-hour maximum accumulation of Comp Time

| * Phencyclidine, e.g., PCP, angel dust. | * Propoxyphene |

The initial testing levels for ng/ml levels shall be as defined by S.A.M.S.H.A.

MRO: Medical Review Officer as designated by Health Services. Positive tests will be reviewed by the MRO at Health Services for final determination of results. This determination will be communicated directly from the MRO to the Chief or Deputy Chief. Before a positive test is reported to the employer, the hospital or lab will have the results reviewed by the MRO, who will verify the existence of a valid prescription or conflict, which might result in a false positive. If the MRO determines that there is a valid reason for a false positive, the results will be reported to the employer as negative and final.

D. Use: Will mean a positive result, which is verified by the MRO review and confirmation and indicates the presence of the drug or its metabolites as indicated in the initial concentration levels.

III. POLICY

The work place will be free from the manufacture, distribution, possession and use of drugs and the abuse of controlled substances. The Algonquin Police Department will meet the requirements of the Drug Free Work Place Act.

IV. TESTING

Random Drug Testing: Effective May 2, 2002, and on a periodic basis, but no more than twelve (12) times annually, an employee will be randomly tested. All sworn full time employees within the police department, including command staff, will be included in a random draw. Up to, but no more than twelve (12), employees will be drug tested (from the random draw) within the Village of Algonquin's Fiscal Year. The employee(s) for the random drug testing will be chosen by the medical facility. The facility will contact the Chief and/or the Deputy Chief who in return will contact each individual, while the employee is on duty, whose name is drawn to advise them of the test. Employees will submit to the test immediately upon notice from their supervisor. Employees will be allowed to take the test in civilian clothing. If an employee chooses to wear civilian clothes during the testing, he/she must have the change of clothes available at the station. Employees will not be allowed to delay the process to obtain clothing or to change anywhere other than the Police Station.

Usual and accepted practices for the collection and preservation of urine samples shall be followed. A similar amount of the sample shall be set aside and preserved for later testing if requested by the Patrol Officer or the Police Chief. All samples shall be preserved in accordance with Section 40.99 of Subpart F-Drug Testing Laboratories of Part 40-Procedures for Transportation Workplace Drug and Alcohol Testing Program effective August 1, 2001, which provides for the extension of preservation of the split samples.

If a test is positive, the reserved sample shall be held according to the policy and procedures set forth by the laboratory. The methods employed in the collection of samples for testing shall be reasonable and provide for security of the sample and its protection from adulteration. Reasonable attention shall be given to a Patrol Officer's need for privacy during the collection of urine samples and the testing is done in an appropriate setting and to ensure that the integrity of the test sample is not compromised. The Chapter will be provided with an annual list of patrol officers and non-patrol officers tested in the random drug tests (e.g., 5-1-02: Non-Patrol Officer, 6-1-02: Patrol Officer).

The first positive test will not result in disciplinary action but will result in a mandatory assignment to the Village Employee Assistance Program or similar approved program, with follow-up testing as outlined in V, B. The second positive test may result in the Chief of Police seeking the employee's termination.

Any failure to submit to a drug test during random testing may result in departmental discipline.

Nothing in this Section shall be construed to waive any covered officer's (excluding probationary officers) right to be heard on matters of discipline before the Village of Algonquin Board of Police Commissioners. Representatives of the Union and Management shall observe the selection process at NIMC prior to the implementation of this policy. If a member of the Algonquin Police Department is assigned to the North Central Narcotics Task Force or similar task force and a random drug testing policy exists for that task force, the Algonquin Police Department member shall be tested in accordance with that policy. If no drug testing policy exists, he/she will be tested in accordance with this policy. In any event, upon return to duty with the Algonquin Police Department after having served on a task force, a drug test shall occur within thirty days. Future task force members shall be informed of this policy prior to assignment and acceptance to the task force (present NCTF task force member excluded).

V. REHABILITATION

First positive test requires mandatory participation in and successful completion in the Village Employee Assistance Program (EAP) or other program approved by the employee's current health provider. During the participation of the EAP treatment, the employee will be placed on FMLA leave and will be required to utilize his/her benefits hours in the following order:

Sick Time, Vacation Time, Comp Time and then Personal Days. Once the employee has exhausted all his/her benefit hours, he/she will then go on unpaid leave until cleared from the program.

Once approved to return to work by the case manager at the EAP or other program, the employee may be tested up to twelve (12) times during the twenty-four (24) months following the officer's return to work.

Employees will be responsible for the entire cost of the treatment program and follow up random drug testing costs not covered by their insurance.

Refusal to participate in the EAP or other approved program may result in disciplinary action up to termination.

VI. VOLUNTARY REQUESTS FOR ASSISTANCE

The Chief of Police shall take no adverse employment action against a Patrol Officer who voluntarily seeks treatment, counseling or other support for an alcohol or drug abuse or dependency problem. The Chief of Police may require the Patrol Officer to be evaluated by a substance abuse professional to determine fitness to return to duty or assignment. For the purposes of this Section, "voluntary treatment, counseling or other support" means help sought by a Patrol Officer prior to an observation by a member of the Police Department of facts giving rise to a reasonable suspicion, or prior to any misconduct on or off duty which causes him to come to the attention of a law enforcement agency or an internal inquiry by the Department. The Village may make available through an Employee Assistance Program a means by which a Patrol Officer may obtain referrals and treatment. Voluntary requests for assistance will be handled in a confidential manner. Any Patrol Officer who voluntarily seeks assistance with problems related to prescribed drugs or alcohol shall not be subject to any disciplinary action by reason of such request for assistance as long as the request for assistance was made prior to any notification of a random drug test, or reasonable suspicion process.

VII. CONFIDENTIALITY

All test results are held in confidence in accordance with privacy laws. They will be stored in the Village of Algonquin's Human Resources Director's files, separate from regular personnel files.

VIII. UPDATES

This policy will be updated as necessary upon agreement from both parties.

IX. POLICY VIOLATIONS

Violations of this policy may subject covered officers to disciplinary action up to and including termination.

Nothing in this policy can be construed to limit the authority of the Chief of Police or his designee to require a non-random drug test for cause.

APPENDIX E
DRUG & ALCOHOL TESTING FOLLOWING OFFICER INVOLVED SHOOTINGS

The Village of Algonquin (“Village”) and the Metropolitan Alliance of Police Chapter #78 (“Union”) hereby agree to the following policy to be implemented in accordance with Illinois Public Act 100-389:

1. Any officer involved in a shooting shall be required to submit to drug and alcohol testing so long as such testing is required by Public Act 100-389 or any similar state law.
2. A sample shall be collected in the case of an officer involved shooting as soon as practicable but no later than the end of the officer’s shift or tour of duty. The collection of a urine sample or breathalyzer results pursuant to this Act is intended to be used exclusively for administrative purposes. Unless ordered by a lawful order of a court or administrative tribunal of competent jurisdiction, with written consent of the officer, or as otherwise required by law the Department will not voluntarily share the results of any testing with any outside entity.
3. For the purpose of clarity, the parties agree that a person “involved in” an officer involved shooting is defined to mean any officer who discharged a firearm thereby causing injury or death to a person or persons. If multiple officers discharged their firearm and it is unclear whose bullet struck the person or persons, then all officers who discharged their firearm in the direction of the subject shall be required to submit to drug and alcohol testing.
4. The parties agree that the term “involved in” an officer-involved shooting does not include officers who did not discharge their weapon, even if they were providing other forms of support and assistance during the call. Nor does the term “involved in” include officers who discharged their weapons when it is undeniably clear their projectiles did not actually strike any person or persons.
5. The parties agree that the provisions of the collective bargaining agreement regarding the procedure for drug testing and standards for discipline shall regulate the drug and alcohol testing procedures and the consequences for any positive drug or alcohol test results.
6. The parties agree that any drug or alcohol test required pursuant to this Agreement shall be considered a compelled, non-voluntary drug or alcohol test under threat of disciplinary action. Such testing shall only be done by urinalysis or breathalyzer. Blood tests shall only be administered upon the issuance of a search warrant. This does not limit the Village's right to obtain test results via other available legal processes.

VILLAGE OF ALGONQUIN
PUBLIC WORKS DEPARTMENT

DATE: September 7, 2022

TO: Tim Schloneger, Village Manager
Committee of the Whole

FROM: Robert Mitchard, Public Works Director

SUBJECT: Towne Park/Crystal Creek 16-inch Water Main Crossing Project

Tim, attached is a proposal from Christopher B. Burke Engineering in a not-to-exceed amount of \$57,315.00 for engineering services to place a section of 16-inch water main under the creek bed of Crystal Creek, just east of the Rte 31 off-ramp of the Western Bypass in Towne Park (see attached map in orange).

The Village was unsuccessful several years ago in boring under the creek to install this short section of main, and ultimately abandoned the project until we could arrange to open cut the creek. The 16-inch water main is stubbed under the bypass on the south side of the creek, and stubbed to a point in Towne Park on the north side of the creek. The project will connect these two dead end pipes with a section of pipe installed in a casing that will be set in an excavated trench below the creek bed. To accomplish this work, the creek will have to be dewatered within a cofferdam and the flow of the creek will need to be bypassed pumped around the dewatered section in order to implement the work.

The engineering work is unbudgeted in the current fy22/23 budget, but the project is being pushed forward in order to complete this work pre-emptively, providing for a timely completion of the Towne Park renovations that are currently in design. The design is pretty straight forward for the pipe installation, typically including topographic survey, geotechnical work, etc., but the permitting is pretty involved to do an excavation through the creek, including permits from the Army Corps of Engineers, the Illinois Department of Natural Resources and the Illinois EPA.

Therefore, it is our recommendation that COTW take the necessary action to move this project on to the full Board to approve a contract with CBBEL, Inc in the amount of \$57,315.00 for engineering service related to the Towne Park/Crystal Creek 16-inch Water Main Crossing Project.

Thank you for your support with this important project for our community.

Master Agreement Work Order Form

I. Incorporation of Master Agreement

All terms and conditions contained within the Village Engineer Master Agreement executed between the parties shall be applicable to the work to be performed under this Work Order and shall be deemed to be fully incorporated as if fully set forth herein.

II. Project Understanding

A. General Understanding/Assumptions

The project includes the replacement of the existing water main just east of the Route 31 extension with a new 16" water main. The project will include the open cut of Crystal Creek to install of the 16" water main, sheet pilings, cofferdam, any necessary bypass of the creek and restoring Crystal Creek to its original condition.

It is our understanding the project will be let in January 2023 and begin construction May 2023.

B. Design Criteria

Village/IDOT

III. Scope of Services

A. Surveying and Geotechnical Services

Task A.1 – Topographic Survey

The Topographic Survey of the proposed watermain will be performed in Towne Park along Crystal Creek and the easternly parkway of IL Route 31 Bypass, within 200'± of Crystal Creek & IL Route 31 Bypass.

Horizontal and Vertical Control: Utilizing state plane coordinates, CBBEL will observe CDMA Network control utilizing state of the art GPS equipment. Horizontal Datum will correlate with NGS control monuments (NAD '83, Illinois East Zone 1201). CBBEL will establish a site benchmark for construction purposes, tied to the NAVD '88 Vertical Datum. This will be based on GPS observed NGS Control Monumentation (NAVD'88 vertical control datum).

Topographic Survey: CBBEL will survey cross sections along the project limits at 50' intervals, and at all other grade controlling features. CBBEL will establish the approximate existing right-of-way of the roadways within the project limits based on monumentation found in the field, plats of highways, subdivision plats and any other available information. CBBEL will field locate all pavements, driveways, curb and gutters (curb, gutter flow line, and edge of pavement/ face of curb),

pavement markings, signs, Manholes or Utility Vaults within, Fences, Traffic Signals, Signs, Light and Power Poles, all trees of 6-inch caliper or greater within the survey limits (Tree Line only for heavily forested areas), and record tree size, location and elevation on survey. CBBEL will field-locate all above-ground utility infrastructure within the survey limits such as water, sanitary sewer, storm sewer, telephone, electric, cable and gas, etc. For each structure we will identify size, type, rim, and invert elevations. Office contouring of field data will also be included in the scope of the project using one-foot contour intervals.

Base Mapping: All of the above information will be compiled into one base map representative of existing conditions of the project corridor for use in engineering work.

*NOTE: Boundary/Land Acquisition Survey, Plats of Easement, and Right-of-Way/Plat of Highway Scope of Services are not included in this proposal.

Task A.2 – J.U.L.I.E. Coordination

CBBEL will coordinate with J.U.L.I.E. to retrieve atlas information for all applicable underground utilities including water main, gas, electric, cable, etc. CBBEL will compile all Utility Atlas information into the base map. Locations of existing utilities /obstructions / systems shown on the base map are the compilation of available utility plans provided by utility owners and J.U.L.I.E. Utility Coordination. All utilities /obstructions / systems may not be shown. Contractor shall be responsible for locating and protecting all underground utilities /obstructions / systems whether or not shown on base map. J.U.L.I.E. Utility Coordination Atlas information is typically isolated to Public Right-of-Way (off-site) & limited areas adjacent to Public Right-of-Way. Identification & location of all private subsurface utilities within project area (on-site) is the responsibility of the client.

Task A.3 – Geotechnical Investigation

A Geotechnical Investigation will be performed by CBBEL's subconsultant, Rubino Engineering. The Geotechnical Investigation will include two (2) soil borings to 25 feet in depth determine the existing condition of subgrade materials. This assumes no flagmen are required to take the cores.

The objectives of the boring study are to determine whether the associated laboratory analysis provide a basis for Rubino to sign IEPA Form LPC-663, Unincorporated Soil Certification by a Licensed Professional Engineer. A summary report will be prepared which describes the sampling procedures followed and presents results of the analytical laboratory testing. If all analytical results meet their respective MACs, Form LPC-663 will be filled out and signed by a Licensed Professional Engineer or Geologist. The report will be included.

B. Phase I/II Engineering

Task B.1 – Field Reconnaissance

CBBEL Staff will perform a Field Reconnaissance of the project area with Village staff. The purpose of the Field Reconnaissance will be to determine the project limits. The results of the Field Reconnaissance will be included in the Preliminary Plans. The results of the Field Reconnaissance will be reviewed with the Department of Public Works and compared to previous estimates to determine their impact on the estimated construction cost.

Task B.2 – Plans, Specifications and Estimates

CBBEL will prepare engineering plans, specifications and estimates utilizing local funds for the following sheets:

- Cover Sheet
- General Notes and Summary of Quantities
- Construction Details and Typical Sections
- Alignment Ties and Benchmarks
- Existing Conditions and Removal Plan
- Proposed Water Main Plan and Profile
- Temporary Sheet Piling Plan
- Phasing Plan
- Dewatering Plan
- Creek Restoration Plan
- Landscaping and Soil Erosion & Sediment Control Sheets

CBBEL will draft the Plan base sheets at a scale of 1"=20' for use during design.

CBBEL will assist the Village in bidding and recommendations of the bids.

C. Wetland/Waters Delineation and Permitting

Task C.1 - Field Reconnaissance: An investigation of the project site will be completed to delineate the limits of wetlands and waters of the United States present. The delineation will be completed based on the methodology established by the U.S. Army Corps of Engineers. Also, during the site visit, wildlife and plant community qualities will be assessed. The limits of the wetland community will be field staked so that they can be professionally surveyed by others in relation to the project coordinate system. We also will locate the delineated boundaries using a submeter accuracy handheld GPS unit.

Task C.2 – Letter Report: The results of the field reconnaissance will be summarized in a letter report. The wetlands' generalized quality ratings, according to the Swink and Wilhelm Methodology (1994), will be included along with exhibits depicting the approximate wetland and project boundaries, National Wetland Inventory, Soil Survey, floodplain, USGS topography, site photographs and their locations, and the U.S. Army Corps of Engineers (USACE) Routine On-Site Data Forms. If the delineation is field

surveyed, that will be used as our base wetland boundary map, otherwise we will use the best available aerial photograph.

Task C.3 – US Army Corps of Engineers (USACE) Application: CBEL Environmental Resources Staff will prepare the USACE Permit Application. This information will include the required exhibits, specifications, data, and project information. This information will also be compiled and assembled for placement in a permit application package to the Illinois Environmental Protection Agency. We have assumed the USACE will require a SWCD permit. The permit fee is included in the direct costs.

We have assumed the application will be processed as a Nationwide Permit. If the application is processed as an Individual Permit, a supplemental proposal will be prepared to cover the cost of the required additional services.

This Task includes budget for project coordination and management.

Task C.4 – Village Wetland Submittal: If necessary, CBEL Environmental Resources Staff will assist the project engineer in preparation of the wetland, waters, and buffer portions of the Stormwater Management Permit Application. This information will include the required exhibits, specifications, data and project information. This Task includes budget for project coordination and management.

- D. Task D - Floodplain and Floodway Permitting:** The project site is located within the FEMA mapped floodplain and floodway of Crystal Creek. We will work with the design team to make sure the plans are developed in accordance with the Illinois Department of Natural Resources – Office of Water Resources (IDNR-OWR) Regional Permit #3 so that an individual permit to the IDNR-OWR is not required. We will also complete all necessary Village and County permitting required for work in the floodplain and Floodway.
- E. Task E - Meetings/Coordination**
Meeting with Village as necessary for permitting.
- F. Task F - Deliverables**
PDF of Final Engineering Plans, Specifications and Estimate
- G. Task G - Services by Others**

Landscape Concepts was the contractor for our 2021/2022 winter tree pruning contract. Working with this company proved very successful and we were extremely pleased with their work and customer service. They currently provide tree removal services to several municipalities throughout the Chicagoland area and southern Wisconsin, including Park Ridge, Des Plaines, and Kenosha, and their references provided nothing but good feedback. There is also an option in this contract to renew services for an additional 2 years if both parties are satisfied with the arrangement.

The Motor Fuel Tax Fund budget includes \$100,000 for this work. Since this work of removing standing dead trees is a matter of public safety and Village aesthetics, we intend to authorize work to the full extent of the contract. We will find other moneys within the MFT budget that are unused, or will draft a supplemental resolution to use more of our MFT money on account with IDOT to cover the overage. Therefore, it is our recommendation that the Committee of the Whole take action to move this matter forward to the Village Board for approval of tree removal services in the amount of \$175,995.00 to Landscape Concepts Management, Inc. for 2022 and further to authorize the Village Manager or his designee to sign an extension of this contract for an additional 2 years at the prices provided in the bid document.

A map of the locations of the removals from the Cityworks Asset Management system is provided on the next page.

SUBJECT: Kelliher & Willoughby Parks Bid Opening

The bid opening for the Kelliher & Willoughby Parks Improvement Project was held on Thursday, September 1, 2022, at 10:00 a.m. The plan includes reconstruction of Kelliher & Willoughby Parks Tennis/Pickle Ball Courts.

The low bid is 27% above the Engineer's estimate. This past year has been extremely challenging to predict project bids. Two specific issues have had the largest impact.

1. Prices of all materials continuing to increase. (Mainly Concrete & Asphalt)
2. Local 150 Aggregate workers strike delays earlier this summer.
3. Contractor workload leads to higher bids

These three factors have created a constantly moving target to predict bid projects this past year.

Two (2) bids were received and have been summarized below.

<u>Engineer's Estimate</u>	\$389,483.50
DK Contractors Inc	\$530,069.00
Schroeder Asphalt Services, Inc.	\$699,094.70

The bid was reviewed by staff and determined to be responsive. Several references were contacted, and it was determined by CBBEL and staff to recommend DK Contractors Inc for Kelliher & Willoughby Parks Improvements Project. The bid from DK Contractors Inc contains all the elements required within the bidding documents. They completed the Maker's Park Bike Path spur in 2020 to the satisfaction of the Village.

We have budgeted \$390,000.00 for the projects in the Park Improvement Fund. Since there is a pressing need for pickleball courts within the Village and the fact that the Willoughby courts are becoming deteriorated to the point of making play difficult, staff has decided to move ahead with constructing both projects. The bid pricing also included installing a wind screen for the pickleball courts at Stoneybrook.

The bid for Woods Creek Reach 5 came in \$200,000.00 under budget. Therefore, we will use this cost saving to make up the difference in the budget price for these court improvements.

Therefore, it is our recommendation that the Committee of the Whole take action to move this matter forward to the Village Board for approval of constructing the Willoughby & Kelliher Parks Improvement Project to DK Contractors, Inc. for \$530,069.00.
