

# ALGONQUIN POLICE DEPARTMENT

## EMERGENCY ID BRACELET PROGRAM

- Information allows first responders to quickly access relevant medical and emergency contact information, which is securely kept at the police station.
- Residents who may benefit include individuals with autism, Alzheimer's, dementia or other physical or mental health challenges.
- Bracelets include a metal face plate with unique identification number and directions for contacting the Algonquin Police Department.
- No personal information is included on the bracelet, but relevant information that could be helpful to first responders can be added upon request.
- Available for free to Algonquin residents who could experience distress or disorientation in emergency situations.

**TO ENROLL IN THE EMERGENCY BRACELET PROGRAM:**

**CALL: (847) 658-4531**
